Senior Survey

Part of Northern Kentucky University's efforts to improve educational programs and services is this survey. All graduating seniors are required to complete the survey to satisfy a "graduation requirement." We very much value your responses. The information gained from past surveys has had a direct impact on programs offered and services rendered. There are 18 questions on the following survey. Completing the survey takes approximately 10 minutes. After you complete the survey, your Diploma Hold will be removed from your student record.
